Technical and Bibliographic Notes/Notes techniques et bibliographiques

The Institute has attempted to obtain the best original copy available for filming. Features of this copy which may be bibliographically unique, which may alter any of the images in the reproduction, or which may significantly change the usual method of filming, are checked below.

L'Institut a microfilmé le meilleur exemplaire qu'il lui a été possible de se procurer. Les détails de cet exemplaire qui sont peut-être uniques du point de vue bibliographique, qui peuvent modifier une image reproduite, ou qui peuvent exiger une modification dans la méthode normale de filmage sont indiqués ci-dessous.

The copy filmed here has been reproduced thanks to the generosity of:

University of British Columbia Library

The images appearing here are the best quality possible considering the condition and legibility of the original copy and in keeping with the filming contract specifications.

Original copies in printed paper covers are filmed beginning with the front cover and ending on the last page with a printed or illustrated impression, or the back cover when appropriate. All other original copies are filmed beginning on the first page with a printed or illustrated impression, and ending on the last page with a printed or illustrated impression.

The last recorded frame on each microfiche shall contain the symbol \rightarrow (meaning "CONTINUED"), or the symbol ∇ (meaning "END"), whichever applies.

Maps, plates, charts, etc., may be filmed at different reduction ratios. Those too large to be entirely included in one exposure are filmed beginning in the upper left hand corner, left to right and top to bottom, as many frames as required. The following diagrams illustrate the method:

L'exemplaire filmé fut reproduit grâce à la générosité de:

University of British Columbia Library

Les images suivantes ont été reproduites avec le plus grand soin, compte tenu de la condition et de la netteté de l'exemplaire filmé, et en conformité avec les conditions du contrat de filmage.

Les exemplaires originaux dont la couverture en papier est imprimée sont filmés en commençant par le premier plat et en terminant soit par la dernière page qui comporte une empreinte d'impression ou d'illustration, soit par le second plat, selon le cas. Tous les autres exemplaires originaux sont filmés en commençant par la première page qui comporte une empreinte d'impression ou d'illustration et en terminant par la dernière page qui comporte une telle empreinte.

Un des symboles suivants apparaîtra sur la dernière image de chaque microfiche, selon le cas: le symbole \rightarrow signifie "A SUIVRE", le symbole ∇ signifie "FIN".

Les cartes, planches, tableaux, etc., peuvent être filmés à des taux de réduction différents. Lorsque le document est trop grand pour être reproduit en un seul cliché, il est filmé à partir de l'angle supérieur gauche, de gauche à droite, et de haut en bas, en prenant le nombre d'images nécessaire. Les diagrammes suivants illustrent la méthode.

[FROM THE WEEK, Oct. 12, 1894.]

THE YORK PIONEERS' LOG CABIN.
1794—1894.

The following lines were read at the meeting of the Society of York Pioneers, held at the Log Cabin in the grounds of the Industrial Exhibition, Toronto, on Thursday, Sept. 7th, 1894, and are printed by request.

Dedicated to the Society of York Pioneers.
From fair Devon's lovely vales and chimes
He came who built this cabin rude and plain.
Simcoe, his early friend, had called him here
To view the land, and choose himself a home ;
Him knowing full of worth, a man to help
In building up the State on stones secure—
Truth, Justice, Loyalty, Far-reaching-aim—
Thus 'twas John Scadding saw Ontario's shore
And this fair Province. On the banks of
Don,
Where the slow river widens to the Lake,
He stood a century ago, and scanned
With eager, anxious eye, the virgin scene.
Entranced he gazed, his very soul astound
At Nature's beauty and magnificence.
Before him, southward, stretched a mighty
lake,
On strong tides rolling to horizons far,
In whose deep, sheltering bays, for Peace or
War,
The fleets of nations might securely ride :
And food and sustenance for million souls
Be found within its depths,—Riches untold.
Above, the blue sky like a sapphire gleamed,
And where the slow-winged heron trailed, or
rose
The circling gull, or phantom-noted loon,
The brilliant atmosphere made silhouettes,
So clear and pure its texture. On the land
Vast forests crowned the heights that north-
ward lay,
Where towering elms, like sentinels, o'er-
topped
Great oaks, and darkling pines shot up like
spires.

Wide beeches grey, and maples full of sap,
Clothed all the swelling hills; and in the vales
That downward drew to meet the flowing
stream,

Willows luxuriant and green alders threw
A grateful shadow, where bright rills and
brooks

Went singing 'mid their reeds, with fern and
flower.

And where the stream, grown languorous, fell
to pools,

The wild duck had her nest, and clouds of
birds

Shook the wild rice that rose in gracefu
plumes

Among the marshes, where the bittern boomed.
And all the forest land, vocal with song,

Teemed with wild life, the settler's hope and
fear.

O! how the fine and fragrant air he breathed
Glowed in the young man's blood and thrilled
his nerves,

And set him dreaming!—as a youth should
dream—

Of a fond home, and woman's love and care
To bless and crown with lengthened happi-
ness

A pious life of patient duty done;
Of sons and daughters, strong and beautiful,
In whom his name should live, and honoured
be;

Of a calm evening hour, when life's sun draws
Towards setting, and the labourer looks to lay
His tools aside and softly muse of Heaven.

*(Ha! did ye hear the demon's mocking laugh
Flash through the high-topped trees!)*

And then his thoughts ranged wider than
himself:

His vision saw, with Simcoe, the deep woods
Recede before a people high of heart,
Of large emprise, and worthy purpose fixed.
He saw the House of God in honour placed,
Order and Law installed, and Learning set
In high estate, the land thus building up
To a large future, by the Grace of God.

And now with resolution on his brow
He marks his own.

And soon the merry axe
Sets all the vales a-ringing; laugh and shout
And human cheer and song fond Echo wake;
The pioneers of York come hastening in—

For all were brothers then—and each man
 bares
 A willing arm to help his neighbour.
 Strong men and true bring down the umbra-
 geous oak,
 Square the tall pine, and lower the towering
 elm ;
 And some the broad axe wield, and some the saw
 Two-handed ; others the heavy ox—
 Patient of load and foddered easily—
 Put to the chains and draw the logs in place ;
 And some the mortar mix of river clay,
 Others the stones draw from the shelving bank,
 Some gather moss for chinking, some the bark
 To shingle the new roof. Thus rises soon,
 With hospitable hearth and chimney wide,
 A pioneer's log cabin snug and warm.
 O hearts were merry on the auspicious day
 John Scadding stood within his open door
 And welcomed all.

And still the door swings wide.
 For here are we, a group of Pioneers
 (Myself by grace), and still a Scadding stands
 And welcomes all, for this log cabin 'twas
 His father built a century ago.
 And all those dreams wherewith the young
 man pleased
 A buoyant, happy fancy, are come true.
 Where but the Red Man roamed a city stands :
 Where only Nature witnessed to a God,
 His temples rise, His servants worship Him,
 Man serving man, and looking all to Heaven.
 Order and Law and Learning have high place,
 As witness these surroundings, where man's
 brain,
 And energy, and muscle, schooled by Rule,
 Show large results.

And that fond dream of Home
 And sweet domestic bliss, and honoured name,
 And service done the State, came also true.
 (*Despite the mocking demon of the trees*)*
 For there is none Toronto boasts to-day
 Of men have served her in all worthiness
 Stands higher in her best esteem than he,
 John Scadding's son, President venerate,

* Rev. Dr. Scadding's father, Mr. John Scad-
 ding, was killed in middle age by the fall of a tree
 on his own estate. His tomb is in St. James' ceme-
 tery, and a Latin inscription to his memory graces
 the stone.

Our first, because our chief, York Pioneer.
O happy dream, to come so richly true !

Three generations knew this tiny home,
York's sweet domestic life of love and toil
(Though 'twas not his that reared it) †
And then, a summer day saw a strange sight !
A band of Pioneers—a jovial crowd—
Pulled down the cot their fathers helped to
build,

Piled up the logs on trucks, put-to the teams
Of ancient oxen, mounted the loads them-
selves,

And waving Britain's flag in loyal glee,
Set out with shout and merriment along
The western way, *and brought the cabin here.*
Then set it up again, with many a joke,
And many a reminiscence glad and sad.

And here long may it stand, a memory
Of brave old times, a spur to new. .

S. A. C.

† Mr. John Scadding occupied the cabin only as a bachelor, and sold it to Mr. John Smith, a builder and an early York Pioneer, erecting a house on another part of his land near by, when he married.
